MEMORANDUM FOR: Mr. Robert F. Whipp
Chief, Communications and Reference
Service Center
Arms Control and Disarmament Agency

SUBJECT : CIA Research on Arms Control and
Related Subject

1. This memorandum responds to Mr. Hackett's letter of August 29, 1973 requesting CIA's assistance in identifying Agency research on Arms Control and related matters. The attachment contains a list of research studies on these subjects completed by the Office of Strategic Research (OSR) during FY 1973. ACDA has received copies of these reports.

2. Other Agency production offices were contacted on this matter but no additional research studies on Arms Control or related subjects were identified. CIA currently does not have any external contracts for work on Arms Control and Disarmament or related areas of research.
